Telephone: _____

How long and in what capacity have you known the applicant?

Living abroad requires discipline, self-confidence, and the ability to adapt to a new living and learning environment. Please comment on the following topics regarding this applicant, attaching an additional sheet if necessary.

- Interest and sensitivity toward other cultures
- Intellectual capacity
- Ability to handle challenges and adapt to new situations
- Suitability for chosen course of study
- Artistic, athletic, social, and other interests or achievements

Please use the following space for additional comments concerning the applicant and/or the applicant's qualifications for the program. You may attach an additional sheet if necessary.

Which of the following statements most accurately represents your opinion of the student's qualifications for studying abroad?

_____ I recommend this student to participate in a study abroad program

_____ I cannot recommend this student for this program

_____ I have some reservations, but I am willing to recommend the student with the qualifications addressed below:
