Greetings,

After reviewing the 2-year Interim Progress Report (IPR) submitted by University of Hartford, the National Architectural Accrediting Board (NAAB) has concluded that the program has demonstrated satisfactory progress toward addressing deficiencies identified in the most recent Visiting Team Report.

No further information is required until the 5-year IPR is due in fall 2022. Statistical Reports are still due annually.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
