ACCOUNTING CERTIFICATE PROGRAM

THE FOUNDATION YOU NEED TO BUILD A STRONG ACCOUNTING SKILL SET

WHO IS THE ACCOUNTING CERTIFICATE PROGRAM DESIGNED FOR?

The Barney School of Business offers this certificate program to students who hold an undergraduate degree in a field other than accounting. If you are seeking to learn basic accounting principles and improve your knowledge of the accounting field, this program delivers a foundation for you to build a strong skill set for today’s competitive workplace.

HOW DOES THE PROGRAM WORK?
Students must complete a prerequisite course, Accounting Concepts, before beginning the program. Following its completion, students take four to six additional accounting courses, two of which must be Financial Reporting Theory I and II. See the complete list of course numbers and names on the opposite panel.

HOW DO I APPLY?
Students interested in a certificate in accounting may apply online under graduate admissions on the University of Hartford website (hartford.edu/graduate). Application requirements include an application form, official transcripts, a current resume, a letter of intent, and two letters of reference.
