Section One:
Checklist of required elements

Part I Statistical Report: √ Included, Not Included
Part II Narrative Report: √ Included, Not Included

Thank you for submitting Part II – Narrative Report with your 2009 statistical information. Since the program is scheduled for an accreditation visit in 2011, the NAAB will not be writing a response to the 2009 Report. Instead, the visiting team will review the “Progress Since the Previous Visit” section of the APR as part of the preparation for the visit. The absence of a 2009 narrative response from the APR will not constitute an incomplete APR. This will be noted for the record and visiting teams will be advised accordingly.

Section Two:
Assessment of Narrative Report

NOTE 1: If a deficiency is included in the scope of an FE, the program may not be released from reporting on it in Part II of the Annual Report, except by the FE Team.

NOTE 2: Although an area may be marked “satisfied, no further reporting required,” the next visiting team will still make its own assessment of the program’s response to the deficiency in the next Visiting Team Report.
