Dear President Harrison:

After reviewing the *Focused Evaluation Program Report* submitted by University of Hartford Department of Architecture as part of the focused evaluation of its Master of Architecture program, in conjunction with the *Focused Evaluation Team Report*, the National Architectural Accrediting Board (NAAB) has found that the changes made or planned by the program to remove the identified deficiencies are satisfactory.

The term of accreditation stands. The next visit will be in 2017. The program is released from further reporting on those items that formed the scope of the focused evaluation.

Annual Statistical Reports are still required.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,

Shannon B. Kraus, FAIA, NCARB, MBA, FACHA
