MEDICAL EVACUATION & REPATRIATION SERVICES

If a Participant sustains an Illness or Injury, UHCG, upon the Participant’s request, will provide the services specified below. The Participant is responsible for the associated costs and expenses, including but not limited to transportation costs. In all cases, the Participant is responsible for any costs associated with medical care and/or treatment.

Emergency Medical Evacuation: If a Participant sustains an Illness or Injury and experiences an Emergency Medical Event, UHCG will arrange for a medically supervised evacuation to the nearest medical facility it determines to be capable of providing appropriate medical treatment.

Dispatch of Doctors/Specialists: If a Participant experiences an Emergency Medical Event and UHCG determines that a Participant cannot be adequately assessed by telephone for possible evacuation from the initial medical facility or that the Participant cannot be moved and local treatment is unavailable, UHCG will arrange to send an appropriate medical practitioner to the Participant’s location when it deems it appropriate for medical management of a case.

Medical Repatriation: Following stabilization of a Participant’s medical condition and discharge from the hospital, UHCG will coordinate the transportation of the Participant to his/her Home Country or Host Country if it determines that the Participant should return to the Home Country or Host Country for continuing medical care. Medical escorts and mobile medical equipment will be arranged if UHCG determines either is necessary during the transportation. UHCG will also arrange for a change to a Participant’s existing return travel arrangements if the change is required as a direct result of the Participant’s medical condition or treatment.

Transportation after Stabilization: If Medical Repatriation is not required following stabilization of the Participant’s condition and discharge from the hospital, UHCG will coordinate transportation to the Participant’s point of origin, Home Country, or Host Country.

Transportation to Join a Hospitalized Participant: If a Participant who is travelling alone is or will be hospitalized due to an Illness or Injury, UHCG will coordinate round-trip airfare for a person of the Participant’s choice to join the Participant. UHCG will also assist with the arrangement of such person’s hotel stay during the Participant’s hospitalization.

Return of Minor Children: If a Participant’s minor child(ren) age 18 or under are present but left unattended as a result of the Participant’s Injury or Illness, UHCG will coordinate airfare to send them back to the Participant’s Home Country. UHCG will also arrange for the services, transportation expenses, and accommodations of a non-medical escort, if required as determined by UHCG.

Repatriation of Mortal Remains: In the event of a Participant’s death, UHCG will assist in obtaining the necessary clearances for the Participant’s cremation or the return of the Participant’s mortal remains. UHCG will coordinate the preparation and transportation of the Participant’s mortal remains to the Participant’s Home Country or place of primary residence, as it obtains the number of certified death certificates required by the Host Country and Home Country to release and receive the remains.
