Please summarize your proposed research in no more than two pages. Provide a brief background about the topic and explain your interest in this area of research. Explain if this research is part of a project that you are completing for another purpose (for example, a Senior Honors Project or a Graduate Thesis). Please detail how you will use the funds to support your research.

Priority will be given to projects that are based in the Humanities or the Social Sciences. The Harrison Library has a rich archival collection; research that includes use of the University Archives is valued. Research projects that involve cross-cultural research are valued. Please note that funds may not be used to pay for transportation to a study abroad experience.

Proposals should be **submitted electronically by October 15, 2021** to Elizabeth Dill, Director, Harrison Libraries at [libraries@hartford.edu](mailto:libraries@hartford.edu)
