### Instructions to Faculty Sponsor

Please write a letter of support for the Cathles Award to the above-named student. The Cathles award is used to support student research in the Humanities and Social Sciences. Students are required to have a 3.25 (minimum) GPA to qualify for the award. Award recipients are required to present at the Graduate or Undergraduate Colloquium and submit a final paper at the end of the spring semester. Funds may be used to support the student's research, but may not be used to pay for study abroad expenses. Your letter should highlight the student's intellectual curiosity for the topic, the anticipated feasibility of the student completing the proposed project, and the need for financial support to achieve the student's objectives. Please indicate if this project is part of the student's Thesis or Senior Honors Project.

Please send your letter of support and this cover page, in pdf format, by October 15, 2021 to Elizabeth Dill, Director, Harrison Libraries at [libraries@hartford.edu](mailto:libraries@hartford.edu)
