## 2024 Summer Place Camper Medical Record

The State of Connecticut requires that all campers submit an up-to-date medical record.
The completed and signed medical forms MUST be returned to us by May 1, 2024.
Please print, fill out, scan, and email the forms to splace@hartford.edu.
Failure to submit medical forms required by state law will result in automatic unenrollment from camp.
This page should be completed by parents/guardians of campers. The second page is to be completed and signed by your child's physician, and may be based on an exam conducted any time since August 2, 2021.

If medication needs to be administered while your child is at camp, please complete and email an Authorization of Medication form, listed under Medical Forms on our website. Medicines with specific instructions can be dispensed from the nurse's office.

## PERMISSION TO PARTICIPATE AND AUTHORIZATION FOR EMERGENCY TREATMENT

To the best of my knowledge, this health history is correct. My child has my permission to participate in all camp activities, except as noted by me or the examining physician. Summer Place has made me aware of its policies regarding concussions. If I cannot be reached in an emergency, I authorize the Summer Place camp physician to hospitalize, secure proper treatment for, and order injections and/or anesthesia for surgery for my child, as deemed necessary.
