Summer Place 2022 Policies

- I understand that a 50% deposit is due at the time of registration. Registrations will not be processed without the appropriate payment, regardless of the session of attendance.

- Tuition fees include a non-refundable registration processing fee of $50 per session. The remaining tuition fees are refundable until June 1, 2022.

- After June 1, 2022, there are no refunds. Tuition policies are not intended to be punitive. These policies are necessary to cover costs to hire and retain highly qualified staff, purchase supplies, reserve space based on enrollment, and adjust for new health protocols. In the case of a Covid or Covid Exposure case, campers may move to the following session if space allows, but it is not guaranteed as sessions could be at maximum capacity. We are unable to roll a camper session to the next 2023 season. Refunds will be offered with Covid documentation.

- I understand that I am not entitled to a refund if my child is withdrawn or is asked to leave when in the judgment of the director, their behavior interferes with the rights and safety procedures (due to COVID) of others or with the smooth functioning of the group or activity or violates the camp's principle of conduct.

- I understand that final payments are due by June 1, 2022. The balance will be billed by The Summer Place and delivered electronically via e-mail. I also know that it is my responsibility to check the e-mail address I provided regularly and that The Summer Place cannot be held responsible for e-bills that are not received or viewed. Final bills can be paid online by signing into your online account.

- I understand that any account not paid in full by June 1, 2022, will be assessed an additional fee of $50 per month.

- The University reserves the right, before June 27, to make whatever changes may be deemed necessary, including course or program cancellation for all sessions.

- I understand that my child may not attend camp until Summer Place has received the properly completed forms and all payments.
• I agree to have all medical forms required by state law completed and returned to camp by May 1, 2022.

• I understand that the COVID policies and procedures may change at any time to comply with OEC and State of CT regulations.

• The University has permission to use any photograph or video of my child at The Summer Place for promotional purposes only, without identification.

*If the decision is made to cancel Summer Place 2022, we will provide full refunds to our families, including the registration fee. Those refunds will be made via the method you used to pay. If a card were used, the money would be returned to that account, and all future set payments will be canceled. If you paid by check, you would receive a refund check. This process may take some time because it will be done individually.

At this time, we require all people on-site, who are able, to wear a face mask anytime when inside. Campers are asked to bring at least two masks labeled with their name, so they can swap them out if wet, dirty, or lost. Frequent mask breaks will be taken throughout the day. At this time, outside activities will not require a mask.
