UNIVERSITY OF HARTFORD

COLLEGE OF ARTS AND SCIENCES

*WE ARE AN ACADEMIC
COMMUNITY THAT VALUES
INTEGRITY, CURIOSITY,
CREATIVITY, EXCELLENCE,
RESPONSIBILITY, AND
ACCOMPLISHMENT.*

Our 100 percent online Master of Science in Organizational Psychology is designed for those who seek to develop or advance their careers through critical leadership skills. Coursework focuses on preparing students for a career in organizational psychology and related fields. The program of study meets the needs of students with undergraduate degrees in a variety of subjects, allowing for a diverse network of students.

QUALITY

Study under the guidance of faculty members trained in industrial and organizational psychology who publish in these disciplines and have a variety of field experience.

CONVENIENCE

Earning an online MS in Organizational Psychology is the ideal way to advance your career from the comfort of your home or office. The program is built around your busy life in an engaging, vibrant, and diverse social network of motivated peers—with a small cohort size—aimed at keeping your network manageable and beneficial. To simplify your path to earning your master's degree, there are no required class or login times. With our fully online educational model, you can take courses at your convenience, moving through the program at a pace that fits your needs rather than on a set schedule.

FLEXIBILITY

Get what you want out of the program. Our required and elective courses provide you with experience and training in organizational psychology centered around real-life, professional applications of the issues presented. Ultimately, as the program expands, you can take courses that will prepare you for your personalized career goals. Go at your own pace—one or two classes at a time—to achieve your degree when you need it.

AFFORDABILITY

While you cannot put a price tag on convenience and flexibility, with our affordable online MSOP program at the University of Hartford, you can obtain a quality education and master's degree while completing your personal and professional goals. View our competitively priced tuition rates at hartford.edu/gradtuition.

WHY CHOOSE OUR ONLINE MASTER'S PROGRAM IN ORGANIZATIONAL PSYCHOLOGY?

The online MS in Organizational Psychology program aims to address critical leadership skills required to enhance organizational effectiveness. Today's leaders and managers need to know how to promote teamwork, manage transitions, and restructure organizations. The program provides students with a theoretical framework in organizational psychology and the opportunity to improve their own skills in research, communication, facilitation, interpersonal, group, and organizational issues. The integration of theory and practice prepares graduates to lead, manage, and/or consult with dynamic and diverse organizations operating in a global environment.

Our fully online program helps you to develop unique analytical skills and accumulate knowledge from differing perspectives. The program is designed to meet a variety of students' needs by providing a solid foundation of theoretical and applicable skills, no matter the intended career path. Our students are provided with training and practicum opportunities designed for application in various work settings, whether in psychology or a related field.
