Dear HCD Students and Families:

Attached to this email is information about an exciting training opportunity in Armenia. This collaboration between the Armenia Choreographic Dance College in Yerevan and dance students and professionals in this country is a wonderful opportunity to experience the best of dance training in the context of an international cultural exchange.

The dates for the trip are June 16-30, 2019. The trip is open to students ages 11-Adult. Non-dancing companions are also welcome, for a reduced fee.

The program itself is being organized and conducted by Natalya Davison of Artistic Motion. She is a long-time dance professional and colleague of HCD faculty members. We are very happy to be able to offer this opportunity to students here at HCD and to be able to count on her expertise and experience in organizing the program.

We will need to hear from you by November 1, 2018 if you are interested in participating as a part of a group from HCD. Audition requirements for the group can be easily handled by our faculty here. In order to form a group, we will need a minimum of 4 students participating in the trip.

You may participate as a part of an HCD group, or on an individual basis. In other words, you are encouraged to participate even if an HCD group is not formed.

Students may elect to attend for the entire 2-week program, or for one week (either week).

Deadlines regarding tuition deposits are included in the attachment.

Please take the time to read the information provided, and contact me if you have additional questions.

I hope you will seriously consider participating!
