

# Asset Management Uncovered

**Will Be Held On:**

Wednesday, February 1, 2023

Hosted on Zoom

From 4:00-5:30pm ET

## About The Event

You are invited to attend Fidelity Investments' Asset Management Recruiting Uncovered, an introduction to Fidelity's world-class Asset Management division! This virtual session will give you an exclusive look at our recruiting process and timeline so you can best prepare for a unique and rewarding career with us.

During the event, we will discuss the following:

- An overview of Fidelity's Asset Management division
- Our student job opportunities (both intern and full-time) for Summer 2024
- What to expect from the recruiting process
- How to set yourself up for success in this industry

## Details to Join

[Click Here to Register](#)

Once registered, you will receive the full zoom details and have the ability to download an invite to mark your calendar

We look forward to meeting you!
