Chrysalis Center, Inc.

Project Title	Day at Freshplace Food Pantry
Project Timeframe	Check-in: 9:00 - 9:15 AM; return to campus: 1:00:00 PM
Project Description	Hawks will be volunteering at Freshplace food pantry. They will help with accepting deliveries, sort and put away food that comes in, assist with garbage removal, and do a deep cleaning of the food pantry at the end of the shift. Volunteers may also assist with clients coming in to shop for food.
Total Volunteers Needed	4
COVID-19 Vaccine Required?	Yes
Desired Skills	A positive attitude, ability to lift at least 30 pounds, friendly with those coming in to shop, ability to sort "good" and "bad" produce
Will the organization provide food?	Yes, we'll provide snacks
What should volunteers bring with them?	Mask, water bottle, and snack

Riverfront Recapture

Project Title	Fall Park Spruce-up Day
Project Timeframe	Check-in: 9:00 - 9:15 AM; return to campus: 1:00:00 PM
Project Description	Fall maintenance in the parks could include raking, trimming, winter flower bed preparations, picking up sticks/debris, painting over graffiti, and other tasks
Total Volunteers Needed	20
COVID-19 Vaccine Required?	No
Desired Skills	A positive attitude and a willingness to work
Will the organization provide food?	No, but volunteers are welcome to bring food
What should volunteers bring with them?	Mask, water bottle, and snacks. Although the site provides tools/supplies/work gloves, volunteers may prefer to bring their own gardening/work gloves.
