Staff Council Nominating Committee

We are forming the Nominating Committee for officer elections this spring. The committee is responsible for soliciting nominees, confirming candidates' eligibility and willingness to run, creating the ballot, and tabulating results. The expected time commitment is usually less than an hour every 2 weeks, from January through March.

We need a committee chair and at least 2 other members. Contact staff@hartford.edu if you're interested in serving on this committee, or if you have any questions about the work involved.
