Ansys Fluids Hands-On Workshop

Earn your first Ansys Badge by attending our hands-on workshop on Computational Fluid Dynamics (CFD). Engineers at all levels are welcome to come learn fundamentals from Ansys experts

We'll showcase:

- **What is simulation**
- **How you can build a foundation for school and beyond**
- **Expand on skills you have learned in the classroom**
- **Attendees will receive their first Ansys Badge and discover how they can build technical skills from this workshop**
